**One last thing – we recognize that it is 2019 and some of you may decide that you want your camper to have a phone or other electronics with him/her during the weekend. While we strongly discourage this because we believe that it will diminish your camper’s “getaway” experience, if you do decide to send your son or daughter with electronics, please reinforce for us that photography, video or audio recordings by campers during the weekend is PROHIBITED. We want to protect all campers’ privacy. Thank you for respecting this policy.**

**Looking forward to a great weekend!**
